THE OBJECTIVES AND PURPOSE OF THE SAGCC

The principal objective of the Southern Africa - Georgia Chamber of Commerce ('the Chamber') is to advance economic activity between and within the relevant SADC countries and the Republic of Georgia.

It is the belief of the Chamber that free and open commercial exchanges and endeavor are conducive to economic growth and prosperity for individuals, businesses and the citizens of both countries.

Activities of the Chamber are designed to promote, nurture and support international trade, investment, and business activities, in general, and in particular for members. The Chamber endeavours to provide members with relevant and timeous business and support information to assist with their economic activities. It seeks to carry out its mandate in an effective, credible and non-partisan manner for all members.

The Chamber is open to members from all economic sectors, including; the Primary Sector (including, agriculture, mining and other extractive industries; the Secondary Sector (including manufacturing, engineering and construction); the Tertiary Sector (service-style industries such as financial services, retail trade, plus intellectual activities involving education, consulting and research).

The Chamber seeks to solicit members from the full spectrum of both countries' communities, who are upright, active and will further pursue the objectives and purposes of the Chamber.

The full spectrum of the Chamber's Objectives and Purposes are found in the Chamber's Constitution, attached to this Application Form.
