

Business Seminar **"South Africa – Georgia** **Trade and Investment Opportunities"**

28 October 2015

The Johannesburg Chamber of Commerce and Industry (JCCI), in collaboration with the South Africa Georgia Chamber of Commerce (SAGCC) and with the support of the Embassy of Georgia in Pretoria, have the honour of hosting the first Georgia business seminar. The focus of the seminar will be lucrative and exclusive trade and investment opportunities in Georgia.

Situated on the crossroads of Europe and Asia, between Black Sea and Caspian Sea regions, Georgia has increasingly become an attractive destination for international businesses eager to establish themselves in the new markets of Europe and Asia.

Georgia has positioned itself as a regional hub and has concluded a number of free trade agreements with larger markets such as the European Union, Turkey, etc. It has a diversified economy, efficient and corruption-free state institutions and offers lucrative investment opportunities in fields such as tourism, agriculture, energy, manufacturing, financial and other services.

The seminar will offer a unique opportunity to learn firsthand from the Georgian state representatives as well as from the South African entrepreneurs who are successfully doing business in Georgia about the trade and investment opportunities in Georgia and the Caucasus region.

The participants will have an opportunity to taste Georgian wines – the country is globally known as the "cradle of wine"!
